

bombing and to pay tribute to those who lost their lives or loved ones as a result of the bombing of the Federal building at Oklahoma City.

On such a solemn occasion it is difficult to find the words which accurately express my sorrow and my outrage. My heart goes out in full to the innocent men, women, and children who were robbed of their lives or permanently wounded in this savage attack just 1 year ago. I also extend my deepest sympathies to the victims families and loved one's, who have suffered such loss.

On this day, I must restate my commitment to preventing such acts of terror from ever happening again. By learning from this tragedy, we ensure that those who died did not do so in vain. The time has come to adopt a new vigilance. While nothing will bring back the lost lives, justice must be upheld. We will do everything possible to ensure that the perpetrators of this act do not escape punishment.

A year has gone by and still the memory of this horrific day is embedded in our minds as if it occurred yesterday.

While I am pleased to see the people of Oklahoma City rebuilding both their city and their lives, I realize that their wounds still run very deep. I urge them to continue pushing forward. Their strength and unity throughout this crisis serves as an example for us all.

#### INTRODUCTION OF LEGISLATION TO AUTHORIZE THE BUREAU OF LAND MANAGEMENT

HON. WES COOLEY

OF OREGON

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, April 23, 1996*

Mr. COOLEY of Oregon. Mr. Speaker, today I am introducing a bill to provide for a 6-year "clean authorization" for the Bureau of Land Management [BLM]. The Bureau of Land Management is the only agency in the Department of Interior that is not permanently authorized. Since 1982, the BLM has been operating without an authorization forcing the Appropriations Committee to do the work of the authorizing committee.

Chairman DON YOUNG of the Resources Committee, Chairman HANSEN of the authorizing subcommittee, Chairman RALPH REGULA of the Interior Appropriations Subcommittee, and I are introducing this bill that will authorize the BLM. The Federal Land Policy and Management Act of 1976 [FLPMA] requires the reauthorization of the BLM, but due to political wrangling, the BLM is without an authorization.

Last Congress, under the leadership of Congressman BRUCE VENTO, a bipartisan effort passed a 2-year clean authorization that made it through the House. This bill is adding onto that effort and will go one step farther and provide the BLM with a clean 6-year authorization.

This clean authorization will provide the agency with the ability to conduct long-term planning and make the management decisions

necessary to properly care for more than 270 million acres under BLM control.

I would urge my colleagues to support this clean authorization.

#### CONGRATULATIONS TO THE STUDENTS AT AMADOR VALLEY HIGH SCHOOL

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, April 23, 1996*

Mr. STARK. Mr. Speaker, I rise today to recognize the students in Mr. Skip Mohatt's civics class at Amador Valley High School in Pleasanton, CA. These students recently placed first in Sacramento, CA, to win the statewide "We the People" civics class competition.

Amador Valley High School and Mr. Mohatt have had a long history of success in this competition. This is the third year in a row that Amador Valley High Students have come in first and the fourth time in 5 years that they have won the State title. Last year, Amador Valley High School was the national champion. I want to commend Mr. Mohatt and his students for this extraordinary achievement and to wish the class luck. They are here to defend their national championship title in 2 weeks.

#### COMMEMORATION OF RADIO VISION AND ITS 15TH ANNUAL VOLUNTEER RECOGNITION DAY

HON. BENJAMIN A. GILMAN

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, April 23, 1996*

Mr. GILMAN. Mr. Speaker, on May 4, 1996, Radio Vision, a service organization in my 20th Congressional District of New York which is staffed entirely by volunteers will celebrate its 15th annual "Volunteer Recognition Day."

Radio Vision provides day-to-day information and local news to those who are most in

need of it. A visually handicapped person's access to the media is limited to radio and TV broadcasts which primarily focus on national and world news stories. For someone that has difficulty holding or reading a newspaper, local news and information—such as stories which are having sales, new facilities opening in the vicinity and the accomplishments of our neighbors—are difficult to obtain.

Radio Vision is a closed-circuit radio broadcasting service that provides news and information free of charge to blind and sight-impaired individuals throughout four counties in the Hudson Valley region of New York. Its volunteers read local news, topical literature, shopping hints, and other vital information to the more than 400 blind, sight-impaired or otherwise disabled Hudson Valley residents who subscribe to the Radio Vision service.

One hundred and five volunteers contributed their time and talents this past year to make Radio Vision a success. These volunteers are highly deserving of our gratitude and special recognition. Without their efforts, sight-impaired people would have no access to the day-to-day information, especially regarding local events, that the rest of us all take for granted. The visually handicapped have come to count on Radio Vision as a reliable source for information about their communities.

For the past 15 years, Daniel Hulse has done superlative work as program director. In addition, Carol Cleveland and many others have done a tremendous job, working tirelessly to coordinate the volunteers who find time to aid disadvantaged members of their community. All of these volunteers deserve our recognition and appreciation.

We are all indebted to these selfless volunteers whose hard work has enriched the lives of so many of my constituents, and I am proud to honor them today by calling to the attention of my colleagues their outstanding services.
